LSRA AGM APRIL 2023

Treasurer's Report

Date: March 2023

A definite highlight of 2022 was Lev Square Fest 22 - it was bigger and better than before! We were able to get a NIF which covered our expenses and a donation from Great Places which covered the cost of the face painters and the bouncy castle. We have spent some money on publicity and laminating pouches which will be put to good use. Lauren has also been busy putting together our social media etc as well as a website, all of which looks amazing - thanks Lauren!

We currently have about £1,500 in our account once recent payments have all gone through.

Beccy Judson
